

JT - Student Opinion Surveys

File: JT

STUDENT OPINION SURVEYS

Any opinion survey must have the expressed approval of the superintendent.

Examples are: opinion surveys solicited by publishing firms on behalf of their products and research projects undertaken by undergraduates, graduate students, and faculty of colleges and universities, and pre-election polls.

While specific approval must be granted by the superintendent, the opinion of the principal of the building concerning the desirability of the activity will be a major factor in determining whether or not the activity will take place.

Adopted: April 1, 1980

Revised: July 13, 1992

Revision #1
